3128 Climber Shank Pad Add-on Leg Strap Pad

The climber shank pad from Buckingham puts a 1/4" thick foam pad between your leg and the shank of your climber. Lined with soft top grain leather, they provide exceptional comfort. One size fits all manufactures of climbers. Also great as an add-on pad for climbing saddles with nylon leg straps. Measures 3"x8".

35033

Climber Foot Plates -

The climber foot plate attaches with two screws to any steel climber to provide you with maximum support and comfort. Foot plates are not intended for use with aluminum climbers. Can be used with titanium climbers.

35033

Climber Sleeves

9204

Adjusts from 15 3/4" to 18 3/4"

9202

Adjusts from 18 3/4" to 21 3/4"

All replacement sleeves come with Model 996 fasteners for permanent-gaff climbers and Model 9215 fasteners for replaceable-gaff climbers.

Please specify climber style to ensure the proper fasteners.

9218

Climber Strap Split Rings - by pair

10 Climber Shields

The climber shield easily attaches to any climber shank to reduce the chances of ankle and heel injuries from sharp gaffs.
